

Agricultural Consultant

CARA Ltd is an independent agricultural consultancy company, based in West Wales. Due to an expanding workload, we are currently looking for an additional Agricultural Consultant to become a member of the CARA Team. The position will require someone who is hands-on and well organised in their work. The successful candidate will be adaptable, self-motivated and will have a strong work ethic.

This is an opportunity to become an experienced consultant joining a thriving office and a close-knit team. As an agricultural consultant, you will be joining the business alongside some of the more established consultants where you will gain first-hand experience of the day-to-day role played by an agribusiness consultant and soon begin to take over clients of your own.

KEY RESPONSIBILITIES / JOB DUTIES

Providing advice on a wide range of issues to farmers including technical and financial advice

Providing nutrient management/fertiliser advice

Developing the company's capability to deliver on farm Carbon Calculating services

Undertaking various project work
